Working Minutes (use of visual aid) & location of meetings (Kelley)	<ul style="list-style-type: none"> <li>• Discussed the use of “working minutes “so that minutes could be approved by the end of the meeting.</li> <li>• Agreed to pilot for the next couple of meetings. Multiple settings were identified: county offices, Lilliput, and Sierra Forever Families.</li> <li>• Donna will verify with Lilliput that the conference room is available.</li> </ul>		
Meeting Framework Used in other meetings (Bryan/Teresa/Kelley)	<ul style="list-style-type: none"> <li>• Use of a Work Plan was introduced to the group. A copy of the Work Plan example was added to the meeting packet of documents.</li> <li>• If Work Plan is created, objectives/goals should be measurable and well defined.</li> <li>• Objectives should also include action items as outlined in SIP chart to ensure we can report back to the State on the items we agreed to do in the SIP.</li> <li>• Minutes should align with the action items on the Work Plan.</li> <li>• Dialogue should be connected to Work Plan objectives.</li> <li>• Standardized format should be used for minutes with Work Plan attached.</li> <li>• Suggestion was made to complete the Work Plan at the next meeting.</li> <li>• Discussion may possibly modify language used in Work Plan.</li> </ul>		

	<ul style="list-style-type: none"> <li>• Group reviewed the Placement Stability Work Plan and agreed to implement once developed and finalized.</li> <li>• Stephen volunteered the North Permanency Unit to test strategies to determine what “does or does not work.”</li> <li>• It will be helpful to have a snapshot of data reviewed and also most recent data.</li> </ul>
Resource Guide Status (Cathi)	<ul style="list-style-type: none"> <li>• Discussed whether the Resource Guide would be an effective tool for caregivers and whether it will help improve placement stability.</li> <li>• Resource Guide must be about what the caregivers need to be supported, and some items on guide draft do not.</li> <li>• The “Source” Information should be added to the guide.</li> <li>• Should the guide be for social workers so they can effectively provide information /resources to caregivers?</li> <li>• Inquired whether guide needs to be as extensive as the Draft was originally created.</li> <li>• Suggested group come up with 20 items that will support caregivers.</li> <li>• We still need to address the engagement/lack of Social Worker responsiveness to caregivers.</li> </ul>
PC-CARE Updates (Susan/Deanna)	<ul style="list-style-type: none"> <li>• Approximately 2/3 caregivers agree to participate.</li> <li>• Considering reducing to 4 sessions as opposed to 6 sessions.</li> <li>• Brief overview of the PC-CARE Executive Summary of Outcomes dated 4/1/19 provided by Deanna and Susan.—Refer to handout.</li> <li>• PC-CARE will pull data regarding caregivers who repeat the services.</li> </ul>
Framework Questions for Development of Placement Stability Tool (Jen)	<ul style="list-style-type: none"> <li>• Jen briefly shared a list of questions that get at engagement/relationship building that impacts placement stability (list will be further discussed at next meeting).</li> <li>• Questions should be linked to the objectives.</li> <li>• What data is available to show that FFA’s model of engagement/building relationships is more effective?</li> </ul>
CSFR questions that look at engagement of caregivers (Barbara)	<ul style="list-style-type: none"> <li>• Twenty-four cases reviewed quarterly</li> </ul>

	<ul style="list-style-type: none"> <li>• CSFR Items 4 &amp; 12 relates directly to placement stability.</li> <li>• Case reviews revealed that there is a difference in quality of work.</li> <li>• CSFR Team only reports to program if there is a safety issue.</li> <li>• Worker responsiveness is key to building relationships and engagement.</li> <li>• Barbara to pull questions from CSFR for next meeting.</li> </ul>
Placement Stability Webinar (Teresa)	<ul style="list-style-type: none"> <li>• Seven modules specific to placement stability include: Foster Care, Adoptive Care, Kin Care, LGBTQ, Supervising, Leadership</li> <li>• Webinar not completed, but specific Placement Stability Tool not identified thus far.</li> <li>• Request for link to webinars was made.</li> </ul>
1173 Project (Myra)	<ul style="list-style-type: none"> <li>• New system of checks and balances has been implemented to deal with discrepancies in information on 1173s as it relates to payments only.</li> <li>• Group shared concerned we don't know whether there are data errors impacting placement stability such as identifying relatives as FFA placements and not relatives once approval status changes.</li> <li>• Stephen, Cathi and Teresa to discuss needed follow-up regarding P5 data as it relates to 1173 issues.</li> </ul>
Next Steps	<ul style="list-style-type: none"> <li>• Pilot "working minutes" during next meeting</li> <li>• Complete Work Plan at next meeting</li> <li>• Bring a snapshot of previously reviewed P5 data.</li> <li>• Discuss Jen's list of engagement questions at next meeting</li> <li>• PC-CARE will pull data regarding caregivers who repeat the services.</li> <li>• Barbara will pull questions from CSFR for next meeting for group to discuss whether these can be used should we create a specific Placement Stability Assessment Tool for Workers.</li> <li>• Stephen, Cathi and Teresa to discuss needed follow-up regarding P5 data as it relates to 1173 issues.</li> </ul> <p>Next Meeting: August 1, 2019 9:30 am to 11:30 am, Lilliput 2750 Sutterville Rd.
