**Boards and Commissions FY 22/23
Budget Outreach Feedback**

The FY 2022-23 budget process is designed to increase transparency and to provide an opportunity for public input, as well as have a more robust public engagement process. Sacramento County is seeking input from the County's advisory boards and commissions in order to identify community needs and help determine budget priorities. This feedback will inform the recommendations that will be made to the Board of Supervisors, in order to formulate a scientific public opinion poll to help set priorities for the County's budget.

SACRAMENTO COUNTY

FISCAL YEAR 2021-22 BUDGET IN BRIEF

APPROVED JUNE 2021

The purpose of this Budget in Brief is to provide a general overview of Sacramento County's Fiscal Year (FY) 2021-22 (July 1, 2021 to June 30, 2022) Approved Budget, showing where the money comes from and how the County plans to spend it. This brief also explains key budget concepts and processes, important fiscal issues facing the County, and information on how to get involved in the County's budget process.

Where the money comes from

The \$6.5 billion in planned spending during FY 2021-22 comes from the following general sources:

- \$4.8 billion of **Non-Discretionary** funding including fees and charges for services and federal and State funding that must be used for specific programs and services and cannot be reallocated to other uses

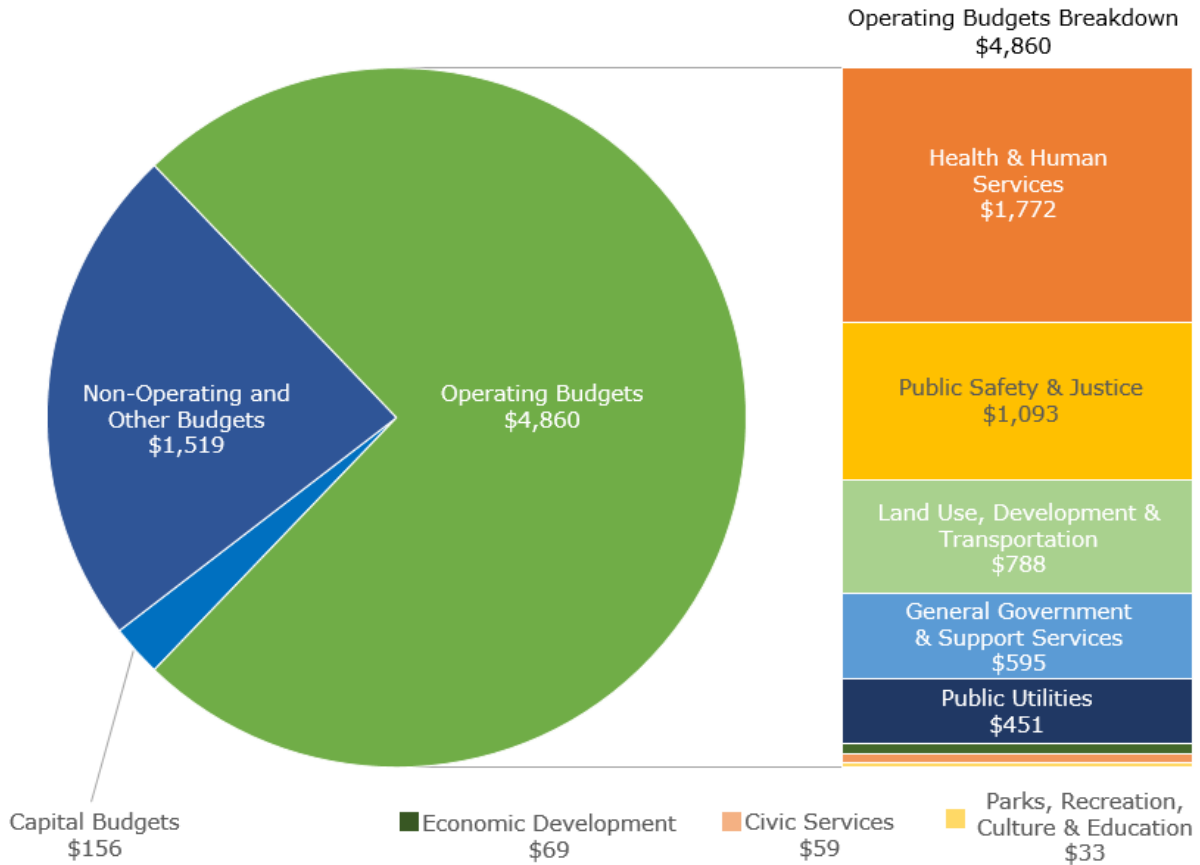

- \$800 million of **Semi-Discretionary** funding that is generally limited to social services and public safety spending, but over which the County has some discretion as to use of funds
- \$900 million of **Discretionary** funding from property taxes, sales taxes, other discretionary revenue, and beginning fund balance in the County's General Fund. The County has broad discretion over how to use this funding.

Where the money goes

- At \$4.9 billion, **Operating Budgets** for County programs and services account for most of the \$6.5 billion County budget. More detail on major program areas is included in the following sections.

WHERE THE MONEY GOES: \$6.5 BILLION ALL FUNDS BUDGET (\$ Millions)

What is a Budget?

A budget is an annual spending plan that provides authorization to spend money for certain purposes and establishes limits for how much can be spent in certain categories. A budget is also an expression of organizational policies and priorities, as it determines how limited resources will be allocated to accomplish the organization's mission.

Sacramento County's budget covers the fiscal year (FY) July 1 through June 30 and is governed by rules spelled out in the State's County Budget Act and the County Charter. Additionally, State and federal laws restrict how the County spends much of the funding it receives, with even discretionary resources needed to meet local match requirements. The budget also reflects policies and priorities established by the Board of Supervisors.
